‘Your school is welcoming and inclusive. Pupils feel valued and are rightly proud of their learning and their many successes.’

‘Pupils’ behaviour is delightful. They are polite and friendly towards each other and the adults who work with them. They listen carefully in their lessons and try hard to do their best. Pupils who I spoke to were confident and articulate. They were able to talk positively about their time in school and the activities they enjoy most. Your kind, caring and happy pupils are a credit to the school and community.’
